OUR STRENGTH

- We are fun group of people, We believe in flexibility, Exceptional focus on every aspect of the design, from typography to color palettes, ensuring consistency and precision.
- House Of Graphics believe in long term relationships rather than doing single, Quick-turnaround projects. That is how we plan to grow.
- Single point of contact for all your needs
- Dedicated team
- Open communication with clients, including feedback loops, to ensure designs meet their expectations.
- A domain knowledge pool across multiple business domains
- Competitive pricing and support.

OUR VALUES

Creativity: Emphasizing original, innovative, and artistic solutions that push boundaries and stand out in the design world.

Collaboration: Working closely with clients to understand their vision, goals, and brand identity, ensuring the final designs align with their needs.

Quality: Striving for excellence in every project, ensuring that designs are not only aesthetically pleasing but also functional and impactful.

Innovation: Staying ahead of industry trends, experimenting with new styles, and bringing fresh ideas to the table in every project.

Client Satisfaction: Prioritizing customer service and always striving to exceed expectations, ensuring clients feel heard, valued, and supported.

PROCESS

Idea: To analyze the requirement through In Depth research with the help of brilliant tools

Sketch: To draft the design that is related to the research in order to check the feasibility.

Design: After completing feasibility test, a final design is prepared by using smart tools.

Develop: Now, our the development team starts developing the solution according to design.

Test: In testing phase, we test every component to make sure that our solution fits the requirement.

Celebrate: We make delivery for the solution and assist our clients to control and administer solution.

QUALITY PROMISE

- We Deliver Value By Delivering Quality!
- Quality is in the core of our House Of Graphics Values and it reflects in everything we do. Our leaders along with a dedicated independent quality control team monitors and alerts at every step of our production.
- House Of Graphics quality principles: Three principles dictate the quality analysis and parameters at House Of Graphics.
- 1- Fit for purpose: The quality analysis begins right from the planning stage ensuring that the product should be suitable for the intended purpose.
- 2- Right first time: At House Of Graphics we believe even a small glitch as cost us client or even worse cost our client their brand equity, we ensure that any mistakes should be eliminated before deployment.
- 3- Total Quality management (TQM): We believe quality should be reflected in not only the end product but the processes and the people that are involved with the development of the product
